Your Party on Your Budget

With DJ FrankenSztein, you can make sure you stay on budget without skimping on the dance floor energy!

DJ FrankenSztein comes to your event with over a decade of experience in audio engineering and production. Whether your venue is providing all the audio and lighting, or you require audio, microphones, or lighting packages, we're here to provide whatever level of production you require at a price that fits your budget.

Please contact us with your expected budget for a quote that fits. Further discounts available for charitable organizations.
